In re: Nash Building Company

**Bankruptcy No. 20-20875-CMB
Chapter: 7
Doc. # 18**

Appearances: Ryan Cooney, Roger P. Poorman

Nature of Proceeding: #18 Motion to Compel

Additional Pleadings: Certificate of Service; #23 Response by Debtor

Judge's Notes:

- Debtor agreed to provide additional documents, and parties appear to have an understanding regarding the Debtor. Dispute is regarding the non-debtor parties.
- Expect that 2004 exam will go forward with Mr. Nash. Issue is that, while Debtor is not objecting to 2004 of Debtor, there is a concern regarding the scope of what can inquire about as Debtor's rep will be Mr. Nash, but also a rep for Terra and himself.

OUTCOME:

- Counsel to have 2 hour meeting to try to resolve , and respondents to produce whatever they are willing. Make a chart of what is not produced to see what items have been narrowed down. Counsel also to discuss scope of 2004 exam.
- Continued to 12/16 at 10am via Zoom for status conference to determine how to proceed but may resolve some items at that time if list is narrowed down. Status report due 12/3 with items narrowed down as to what has not been produced and what issues remain with respect to scope of 2004 exam.
